

Prayer for Christian worship

Ps. Jamie Pryor

The act of worship

Thanks for the privilege to express ourselves the created to the creator

Whole body, mind, will and emotions, spirit to spirit connection - our spirit connects to your holy spirit. Expressions of worship.

Thanks that you created beauty in your creation. Both in nature around us and in other people.

That we can be thankful for it and be rejuvenated through it

But Lord we need to ask your forgiveness where we have relegated worship to an act - that worship is merely a religious ritual. We put on our religious act, what use to bring life now becomes routine.

We have lost our first love

Revelation 2:4 The church in Ephesus - Yet I hold this against you: You have forsaken your first love.

The attitude of worship

Where our worship is what we do after praise on Sunday morning and does not permeate our whole lives. Thanks you that the Greek word for worship is also used for service. We pray that our worship becomes the full expression of our lives.

That we worship you when we forgive others, when we work in our jobs, when we are serving in the home. May in worship you even when we are doing the mundane things of life. Thank you that you are interested in all of our lives.

Also we ask your forgiveness where we haven't made you Lord

First two commandments - Have no other Gods before me. You shall not make yourself an idol, you shall not worship it. Exodus 20:3-5a

The devils temptation of Jesus was to worship Satan Matthew 4:8-10

Thank you God that we are called to worship you only. Thank you that we are made to worship you. To God be the Glory Amen
