

Hi There,

It's just so good to be able to bring this message to you. I'm sorry I could not be with you in person, but I want to thank Hilary and the committee for doing a fantastic job in getting this gathering together – Your Kingdom Come 080808 – a new day is dawning in the Nation of Australia.

Certainly, it is a new day in our Nation! But to see this new day dawn, I believe us as the Body of Christ, need to get together from all walks of life and unite in His name, and come from our own little empires, and ask the Lord Jesus, "What is **your** will, what is **your** plan, what is **your** purpose for our nation of Australia?" I have travelled the length and breadth of this Nation, and I've seen the Word of God so compromised. People working on their own little agendas rather than coming together to fulfil the Kingdom of God.

Your Kingdom Come gathering is calling on Jesus to "Let your Kingdom Come on earth as it is in Heaven." What does this mean? This means coming into a habitation with the Heavenly Father, and for us to come to that place, we need to repent, ask the Lord Jesus to please forgive us for the wrong we have done. We need to surrender our lives wholeheartedly, pay the price and be available and willing to do what God wants us to do.

Well, currently we are experiencing a move of God in Melbourne and it's an awesome move of God. I believe we are only beginning to scratch the surface of revival or possibly it's the beginning of a powerful nation-wide move of God in Australia. We've witnessed many people healed, delivered and set free. Hundreds are coming through and we are in the tenth week of such meetings. It has not come easy, it's come after 7 ½ years of prayer, repentance & crying, across this land. People tell me, "Pastor Danny, you must have gone to Todd Bentley and come back?" I said, "No, I've been in the 'upper room' seeking my Lord Jesus day and night, in fasting and prayer. What we are seeing, we are seeing because we were willing to pay the price to see God come through. It's one thing to pay the price; it's another thing to talk about it. We can talk about it, but if we are not willing to work and do what we have to do, we are not going to see a breakthrough in our nation. So I want to challenge you, people of God who have gathered in Parliament Canberra today, I want to challenge you – put your hearts and soul together, get out of the little box mentality, start working together as the Body of Christ. Let's not build our own little church communities, but let's build the Kingdom of God together. It's time to stop the compromise and get into the true and living Word of God.

The Word of God says, "If my people who are called by My Name will humble themselves and pray, turn away from their wicked ways and seek my face, I will hear from heaven, I will forgive their sin and heal the land." He says, seek My face.

What do we want to do? Do we constantly want to seek His hands? It is time for us to seek His face. I tell the people in Melbourne at the Revival meetings, "We are not here for miracles, Thank God for the miracles, but if we get lost in the miracles, we forget the Miracle Worker, and my emphasis has been every night... sit on Papa's lap, look at His face and tell Him how much you love him."

So I want to challenge you, people at 080808 today, that you would seek the Father's face with all your heart, with all of your might, with all your family and with all your church - with everything you have and look at Jesus's face. Don't look at your little problem, or your little situation, rather look at the big picture – a Nation is on its way to Hell if we the children of God don't do it right, right now.

We cannot let another generation pass by. We have somehow crossed the Red Sea and come out of misery, but we've got stuck without crossing the Jordan, thus we have not entered the Promised Land. We are now somewhere between the Red Sea and the Jordan in the wilderness with hand-to-mouth existence. We don't need the quails to feed us anymore, we need to cross the Jordan! We need to work with our hands and feet - pay the price to possess the land flowing with milk and honey! Let's go forward, let's take Australia for Jesus. People of God; let His Kingdom Come, Let His will be done.

Can we pray together right now?

*"Dear Lord Jesus, we pray for our Nation of Australia. Father, this is the great Southern Land of the Holy Spirit. Father, we know this land is blessed, but Lord in a sense we are materially blessed but Spiritually we are bankrupt.*

*Father, I pray - everyone says, 'I want revival' but Lord, we all know for revival, the key component is prayer, but Lord the least prompted, the least advertised, and the least financed program of the church in Australia is prayer. Father, we do know that the user-friendly, seeker friendly programs will not bring revival; nor will your Kingdom come this way, Lord. So Father we pray that we will get out of the 'fast food mentality' and pay the price to see Australia come back to you Lord Jesus!*

*Father I pray that the Holy Ghost and Fire will sweep through this land. **Suddenly** we will have an outpouring like on the day of Pentecost, but Lord we pray for the Church to wake up, come out of the box, begin to seek the Kingdom of God and come together as the Body of Christ united in one accord as in John 17.*

*It says as the Body united, that's when the nations will know that the Father and Son are One, and people will be drawn to the Cross. So Father we pray that Your people will unite and revival fire will fall across all of Australia and truly Your Kingdom will come in our Nation. Father, we personally believe we are in a new day in our Nation's history, and Lord we have never seen so many miracles, so many deliverances, so many salvations, in one place continuously for 10 weeks.*

*Lord, we thank you for what you are doing in Melbourne, but I pray Lord that your people will set the Fire, catch the Fire, take the Fire and protect the Fire. Father, you will not give us revival until we are ready to handle it.*

*So Father we pray even as we've been stretched, that the Body of Christ at large will be willing to be stretched and your grace will be sufficient for us all. I pray for revival across the Land, I pray for Kingdom to come, Your Will to be done. It is revival when your children come into a habitation with you Father, so I pray that all church leaders will leave their little insular buildings, come out of their comfort zones, begin to surrender and say, "Lord let **Your** will be done...let **Your** Kingdom come!"*

***"Father we pray that we will rise up and take Australia for Jesus.** Father bless the politicians Lord, bless the government Lord, bless the Prime Minister Lord, bless the Cabinet Ministers Lord, bless the people of God and let your Name be glorified. Today Lord, we **declare Australia for Jesus!!***

*In Jesus Name, Amen."*

Thank you people of God, have a wonderful day...God bless you!
