Guidelines for 080808 Speakers, people Praying and involved in Prayer Seminars at Greenhills Conference Centre

Aim of 'Your Kingdom Come-080808-A New day for Australia' Prayer Gathering:

'To pray for and proclaim God's redemptive calling and destiny for Australia.'

-for His Kingdom to come and His will to be done here on earth in Australia as it is in heaven....according to God's blue print, plans and purposes from creation

We are gathered as gate keepers to legislate what is permissible and what is not....
-we will proclaim; that what is legal in heaven is what is legal here on earth, (here in Australia), that what is illegal in heaven, we proclaim is illegal here in Australia, in the Name and authority of the Lord Jesus Christ, as His ambassadors and His Bride

We are standing on God's word; there is power in the prayer of agreement and the prayer of a righteous man and woman avails much, when we have clean hands and a pure heart.

4 Main Objectives: 1) To give God all the glory, to trust Him and pray in faith and unity
2) To hear and receive from God His agenda and purpose for our area
3) To confess sin, pray, and to proclaim God's promises for Australia
4) Prayers that release the Gospel in power & action IN Jesus Name

A word about the New Covenant concept of Repentance and Redemption:

In the Old Covenant weeping was their form of repentance, but in the New Covenant the word for repentance means 'to turn around, to change the way you're going or your thinking.' In the New Testament times, not only can we have deep godly sorrow for sin when we sense the grief of God's heart; 2 Corinthians 7:10, but we can move on from it by the blood of the Lamb and through faith in Christ's finished work at the cross and His victory over hell and death. Rom 8, Rev 1:18

We stand Believing God's word in the faith, that Christ has already fully paid the price and made the way for our redemption individually, and corporately as a nation. We come boldly before God's throne of grace with confidence not in our own righteousness, but covered in Christ's blood and in His righteousness, to receive mercy and to find grace to help us in our time of need Heb4:16

Considerations to prompt thought for participation in 080808 Prayer Seminars:

1 Start by asking and answering the questions for your area:

- What is God's calling, purpose and intention for this area of life in our nation?
- What aspect of God's love and relationship is clearly expressed through this area?
- What did God intend by letting nations make laws about this area?
- What are the boundaries/ God's divine order for relationships to bring life?

Please base your answer on at least one scripture and or parable

2) What God's word says about His purpose for this area and how we've strayed from it?

The foundation for all prayer and discussion needs to be based on God's Word of truth, discerned by the Holy Spirit to bring Christ's resurrection life, power and wisdom into this area of our nation, for the gospel to bear fruit.

- What is the biblical perspective/world view about this area?
- What does God say about it, in both Old & New Testament?
- What are the blessings to thank and praise God for in Australia where we have followed God's path in this area?
- What are God's promises for obedience?
- What does He say He will do if we obey or disobey His word?
- What are the words the Bible uses to describe sin in this area?
- What are the consequences of our sin where we have turned away from God's path?... Identify and separate the fruit from the roots of problems...
- What have we sown and what are we reaping as a consequence? Life/love or death? Blessing or cursing, divine order or dysfunction in society?
- What do we need to confess as sin in this area ?
- Is this generational sin ? Cultural? What is the specific Idolatry?

3)What are the key foundational issues that need to be confessed & proclaimed?

Listen to the Holy Spirit's input- in formulating prayers ...avoid human opinions

What is God's purpose? What is it that God heart desires to see/ do for us?

What is God saying? What is His heart on this matter? What is the key issue?

Prepare your prayer based on the word of God, so people can join in a prayer of faith and agreement, based on WHO God is and what His word says..... NOT focused on magnitude of problem or the giants....NO GRASSHOPPER MENTALITY prayers please !

Does there need to be confession, repentance and forgiveness?

Acknowledgement & Confession of burdens of specific sins and responsibilities

Identify meaningful specifics; not wandering generalities...we need to hit the mark in prayer by the Holy Spirit's guidance.

4)Identify Scriptures to be proclaimed of God's redemptive promises and purposes for Australia and our people

Praying in faith proclaiming the power of the completed work of the cross and shed blood of Jesus Christ, magnifying God and giving Him all glory, praise, honour and thanksgiving for His great grace and mercy towards us in this nation despite our sin.

Can a Nation be born in a day?

Proclamations of promises and God's redemptive destiny, calling and purpose for that area....this is the most important part to focus on please..BELIEVE in Jesus'

Resurrection life and desire to bless and heal us.....His Restoring power to save

Concluding Perspective

We realise that each area could be explored for more than a week or a year, and you have only an hour!...But Jesus has His agenda and a specific assignment for each of us. I believe that He has called and anointed each of you to come and stand in His power and authority in your area to legislate on His behalf....He has given us the keys and what we bind on earth is bound in heaven and what is loosed on earth is loosed in heaven, as we wield the Sword of the spirit which is the Word of God, lead and empowered by the Holy Spirit.

As we proclaim the Word that brings life that God gives us, it is like an arrow of prayer that is released straight to 'hit the mark' to bring the Lord's break through in the spiritual battle we are engaging in, as His corporate Body of Christ. God the Father has put this gathering together, and His principles are very simple....we need to harness His love and power by our FAITH IN Jesus' ABILITY to bring redemption & transformation. As our hearts worship Him and hear His heart beat and His voice, we touch heaven with our heart felt confession and praise. Then, one touch from Jesus, in one moment of time, can change everything here on earth and for eternity.!!!

We appreciate the sacrifice of each person in coming to Canberra and standing in the gap for the future of this nation at this time. Right now the highest levels of authority in this nation are in a state of change...Seats in the Senate and the position of Governor General are shifting... So much is hanging in the balance in this season....The outcome does not depend on the Parliamentarians but on the Body of Christ in this nation humbling itself before Almighty God and seeking His mercy and grace.
