Reasons for Development

- Birthed by Dr. Del Tackett whose vision is to see radical transformation in the Body of Christ through building a comprehensive and systematic biblical worldview in small groups.
- Our vision is similar but with the addition of a heart to reach our youth through Christian schools. Also not always through small groups.
- Luke 10/27 "Love the Lord your God with all your heart, soul and mind, your neighbour as yourself." Parents.. Deut 6/14 Church.. Eph 4/12 & 13

The Battle for the Christian's Mind

- Twentysomethings struggle to stay active in the Christian faith (Barna 2006)
61% churched as teens, disengaged during twenties.
- 9% of Christian adults hold a Christian worldview on all major issues
- 66% of a random population sample of 2000 stated truth is relative to the situation
- 62% think cohabitation is ok
- Average American watches 4 hours TV a day

Helping Meet the Needs

- All the big worldview questions are addressed;

Is there a God? What is man?

Is there such a thing as truth? How can we know?

What is the meaning of life?

Is history meaningful?

- Biblical foundations are laid for the various important spheres of life; law, politics, history, science, the arts, sociology.....Review by B.Muehlenberg
