

Life Issues

Bruce Coleman

- Developing youth to be pro-life spokespersons.
- Speaking to primary school children about abortion.
- Abortion is an attitude - we need to break down these attitudes.
- Many times women are not informed about the effects of having an abortion.

Luke 23

- Statement in Luke 23
 - We are guilty
 - We are forgiven
-
- A change in the concept of personhood of the babies.
 - Getting in and talking to the young people.
 - What we know is right, we must speak otherwise we are guilty.
 - Being faithful in prayer and presenting the information to the youth of Australia and allow God to do the rest.
 - Setting the truth before the young people and the truth shall set them free.
 - Need to impart to youth a sense of healing.
 - It's not just one person affected but all future generation are affected.

Prayer

- Our young people need to know the truth
- Compassion on young people who have been in sexual relationships/had abortions. We need to love them and not condemn them.
- Adults that force their children to have an abortion (examples – rape or incest)
- Abortionists that know what they are doing.
- Abortion clinics can be closed.
- Young men will take responsibility for who they are (treating young women with respect).
- The things bombarding our youth/homes from TV and media.
- Pregnancy centres- Counsel girls for abortions.
- Genuine Christian counselling that run on Christian principles.
- Worth/dignity/desire to live.
- Emotional consequences.
