

Men's Seminar

By Warwick Marsh

The Men's Seminar centered around the discussion of three points followed by a time of prayer.

- 1) What is a Man?
- 2) Why are Fathers Important?
- 3) Our own experiences growing up and our hopes for the future.

Our prayer for the men of Australia is that they will rise to the challenge and make a stand for the things that matter.

Manhood matters. Male by birth - man by choice.

Men need to reject apathy, accept responsibility, and expect God's reward.

Our prayer for the fathers of Australia is that they will rise to the challenge of excellence in fathering and go for gold for their children.

Australia produces the best athletes in the world on a per capita basis, why not the best fathers.

Lord, bless the fathers of Australia to fulfill the words of Malachi, 'to turn the hearts of the fathers to the children and the hearts of the children to the fathers' in Jesus Name.
