## A Clarion Call to the Church in the Nation to Unite

I saw the words “clarion call” and I asked the Lord what for and He said to unite. I believe the 080808 conference in Canberra is a clarion call to the church in the nation to unite.

He then showed me two very big boulders with a small space in between them. In the space was a stick-like figure of a person holding the boulders back on each side and I believe the Lord is talking about the pressures that are on this nation and the church in this nation.

I believe the Lord would say “Yes, I’m issuing a clarion call to this nation, even a clarion call to the church in this nation for there are forces that are going to come against you in these days. They are dark forces; they are forces that are designed to put pressure on you. They are forces that are designed to crush you. They are forces that would want to come and divide you says the Lord and I would have a church that is united says the Lord. I would have a church that is focused on Me and not focused on all the pressures that are occurring in the world around you.

And the Lord would say for a time is coming in this nation where a **great fear is going to come upon this nation and there are pressures from abroad and there are pressures from within this nation and you’re going to feel as if you are in a vice** says the Lord. You’re going to feel as if things are closing in and closing in and closing in and that you have so little room to breathe and so little room to move but the Lord would say I am there in the midst of it.

**Just hear My still small voice, tune into Me says the Lord and I will give you the strategy for the way out of this situation.** Because it’s like things are closing in on you. It’s like the pressures are coming down on you and coming all around you. It looks as if there’s no way to turn for this nation and even the church in this nation says the Lord. But as the church I have called you not to be in the same place that the nation is in. I’ve called you to be a prophetic voice to the nation. You must separate yourselves from what is occurring in this nation so that you can stand apart from it and you can be a voice to it so that you’re not going down and being crushed by the same forces that will crush the rest of the nation around you.

Those forces are conspiring against this nation at the moment says the Lord. I would have you as a church to separate yourself to seek Me for the strategy, seek Me for the way out so you are not standing there in the same situation, so that you are not standing there trying to keep these pressures at bay but you are standing back from that. In fact you are on your knees in prayer to Me and you are seeing what is happening, you are hearing My voice and you are speaking prophetically to this nation and you are drawing a picture for them as to what is happening in this nation so that you can lead them out of this situation says the Lord. Because that is what I’ve called you as a church to do – to stand in the gap for this nation, not to be caught in the same vices this nation is caught in but to stand apart. See it to call it like it is; to call this nation to repentance; to call this nation to focus on Me and not on what is occurring around them says the Lord for I am the only way out of this situation.

Look to Me. Do not get caught up in the pressures of the world but look to Me says the Lord and you will find your way out. You will find victory when all else around you looks lost, when everything else is crowding in, when nothing makes sense, when everything is too hard, when everything looks impossible says the Lord. Turn to Me; focus on Me for I have the answer. I am the only One who has the answer. I am the way. I am the only way and life is in Me says the Lord. Any other way is death. Any other way you will perish. But I am the only One who can lead

you to life. I am the only One who can lead you to freedom and I am the only One who can lead you to love says the Lord.

For I do have plans and purposes for this nation says the Lord and I would not have you as the church in the nation get off track because you are the ones to provide the even keel for the whole nation to keep the whole nation on track, to keep the whole nation on course says the Lord.

Scripture from Apostle Norman Miller that fits in with the word – 2 Cor 4:7-9.
